- Sales Info (lots, boat slips)
- Owners Forums

What is the size of Pintail Point?

110 lots within 85.9 acres

What school district serves Pintail Point?

Lexington 1 (Gilbert elementary, middle, high school)

What amenities does it feature?

Lakefront Clubhouse & Pool, three (3) Competitive Tennis Courts, 100 slip Marina, boat ramp, and courtesy dock, groomed walking and bike paths

What are the association dues?

\$500/year – Homeowners Association \$240/year – Marina Association

Can the association dues increase?

Yes, up to 10% per year

What do the association dues cover?

Homeowners Association – Landscaping; Pool Maintenance; Clubhouse Water/Sewer and Irrigation, Entrance, Islands, and Clubhouse Electric & Phone, Maintenance & Repair, Insurance

Marina Association – Water, Electric, Maintenance & Repair, Insurance

Who manages the associations?

The Homeowners association is comprised of all lot owners. The Association is managed by a five member Board of Directors elected by the lot owners. Currently they have contracted with Gold Crown Management Company for day to day operations.

The Marina association is comprised of all boat slip owners and is still controlled by the Developer who is in the process of turning it over to the slip owners.

Is Lakeside Reserve a part of Pintail Point?

Lakeside Reserve is a separate development with a separate homeowners association. However, the Lakeside Reserve HOA pays \$250/year per owner for each of their owners to have access to the Pintail Point amenities including the right to purchase boat slips.

How do I reserve the clubhouse?

Determine the date and time frame for which you would like to reserve the clubhouse. Contact Gold Crown Management at (803) 454-3064, at least 24 hours in advance of your desired date/time, to schedule your reservation. Reservations are taken on a first-come-first-serve basis. When scheduling your reservation, also schedule a time for a representative from HOA to meet you at the clubhouse to inspect the facility and receive the returned keys. A deposit of \$100 is with the reservation form. After your event, ensure that the clubhouse is cleaned (floors swept/mopped, counters wiped down, and garbage removed). Cleaning supplies can be found in the main room closet. Meet with the representative from HOA at the scheduled time after your event to review the condition. If the clubhouse is determined to be appropriately cleaned, your deposit check will be returned.

What utilities are available?

Phone/Cable/ Internet - Time Warner and Comporium

Sewer – Town of Lexington

Water – Gilbert-Summit Water

Electric - MCEC

Natural Gas - SCE&G

Where is the nearest fire department?

Hollow-Creek Fire Department – 2 miles from Pintail Point

How do I obtain a mailbox?

Lot owners are responsible for purchasing and ordering their own mailboxes. To order your mailbox, call Chip Ridgeway with R&R Specialties, at 803-600-7880. Allow six weeks for mailbox fabrication. Therefore, place your order six weeks prior to your desired installation date. The US Postal Service will not deliver mail without a mailbox. R & R Specialties requires payment in full before the mailbox can be installed.

Who provides trash service? When is the pickup?

Advanced (Southland) - Thursday. Many residents instead choose to use the free Lexington Co. transfer station located less than 2 miles away at 125 Beulah Church Road.

What are the community-associated building costs?

5' sidewalks - \$1500 - \$2500

Sewer/Water Taps - \$3700/\$2200 (Developer still has a number of tap certificates which are available at a discount.)

Standard Mailbox - \$400

ARB Review - \$500

Landscaping Review - \$100

What are the landscape requirements?

Irrigation systems are required for all front and side yards. Systems covering all landscaped areas are strongly encouraged. Sprinkler heads at curb should be protected and should not spray across sidewalk/into road during normal operation.

Sod is required for all front/side yards. Back yards and all disturbed areas within 30 feet of the home must either have sod or over seed with seasonal turf (winter rye/brown-top millet) for erosion control. Natural areas up to 30% of the prescriptive area are allowed. Bare ground and/or unplanted/mulched hillsides are prohibited.

Check the Architectural Review Manual for specific sizes of required foundation plantings.

Note: The Pintail Point Architectural Review Board reserves the right to increase the minimum requirements for specific home plans, particularly those with foundations heights greater than 6 feet. Shrubs can be no less than 3 feet below front windows. All landscaped areas must be mulched. Landscape lighting is allowed and encouraged. It may not illuminate areas outside the owner's property. A landscaping plan detail of your home must be submitted a minimum of thirty (30) days prior to occupancy. Suggestions may be made to you based upon the minimum requirements as outlined above. These minimum standards are intended to ensure a level of neighborhood excellence and to assist you in the beautification of your home. These requirements are not intended to limit the scope of your resources and/or creativity, but rather to ensure proper and minimum sizing, spacing and taste apply. **IMPORTANT**...All aspects of your basic landscaping plan, as approved by the PintailPoint Subdivision Architectural Review Board, must be installed no later than thirty (30) days after a Certificate of Occupancy is issued for your home.

Is there a time when home construction must start?

No. However, if construction of the home is not started within 18 months after closing, a \$1,000 maintenance fee will be assessed for any lot under one acre and a \$2,000.00 fee will be assessed for any lots over one acre.

Is there an exclusive builder team?

No. Owners can use their desired builders.

What is the minimum house size?

2200 heated square feet. The maximum is 5,000 square feet.

What exterior building materials are approved?

Brick, Stucco, Hardi-Plank, Stone and some types of wood. Vinyl and aluminum are prohibited.

What are the building setbacks?

Front – 40' from curb Back – 20' (for lakefront lots, the sewer line is the building demarcation point) Sides – 10'

Are the boat slips deeded property?

Yes, by Special Warranty Deed separate from the lot.

Can a boat-slip be purchased with a lot?

Yes, with a contract addendum during pre-construction and with a separate sales contract after construction.

Can a person own a slip without owning a lot?

No

What is the water depth in the marina?

The marina is situated between the 355 and 347 contour bands. During summer when the lake is at approximately 358', the marina depth will vary at points from 3'-11'. During the winter when the lake is at approximately 354', the marina depth will vary at points from dry – 7'. Consult the marina plat for water depths for specific slips.

What size boat can the slips accommodate?

A 24' boat. However owners of larger boats may petition the Board for a variance. Any cost for dock modifications for the variance will be the responsibility of the slip owner.

What is the size of the slips?

12' wide x 20' long
